

A photo slideshow of the US oil workers' strike

11 February 2015

Reporters from the *World Socialist Web Site* have visited picket lines of striking oil workers in Indiana, California, Ohio and Texas. The following is photo slideshow of the striking workers and their refineries.

Start slideshow

There are also photos from the 14-week walkout by 60,000 oil workers in 1980 taken by photographers from the *Bulletin* newspaper, one of the predecessors of the WSWS.
