

Tom Mackaman interviewed on 1619 Project by history podcast

18 February 2020

An interview with *World Socialist Web Site* contributor Tom Mackaman on the 1619 Project has been published on the history podcast “The Way of Improvement Leads Home.” Conducted on February 3 and posted February 16, the discussion with host John Fea addressed the motivation of the *World Socialist Web Site* intervention on the 1619 Project; its interviews with prominent historians; and historical questions related to slavery, the American Revolution, and Civil War.
